CALIFORNIA CHEAP SKATES

CALIFORNIA CHEAP SKATES DECKS... ONLY $36.95 COMPLETES $94.95

JUST LIKE PRO BOARDS BUT $5.00 CHEAPER!

We decided to make our own decks so we could offer a quality board with all the features of the top brands but at a lower price. Our boards come with double truck holes and a no-gimmick concave without kinks or warps. Side to side concave is smooth (full-foot comfort) with a medium tail and kicked-up nose. The decks are cross-laminated with 7-plys of thin hard rock maple. Each deck has a unique shape so check out the specs below.

YOUR SATISFACTION — OUR COMMITMENT!

Hey skaters, California Cheap Skates has been working for you since 1975. We're serious when we say "satisfaction guaranteed". That's why so many of you are repeat customers. We're committed to making your shopping experience with California Cheap Skates enjoyable and completely hassle-free! Don't confuse us with any of those other guys. No one is as service-oriented or reputable as California Cheap Skates.

We're really proud of our sales staff—well-trained, knowledgeable, and fully into meeting all your skating needs. If you ever have a question about any of our products, don't hesitate to ask! That's why we're staffed with real skaters—we KNOW the products we sell.

Thanks for using the California Cheap Skates catalog. We'll prove our "satisfaction guaranteed" commitment so place your order with confidence. If your friend needs a catalog, just tell him to give us a call.

ABOUT PRO MODEL CHANGES

The pros are constantly updating and improving the graphics and shapes of their decks (and t-shirts, too). There's definitely nothing static about this skate business. When the pros come out with a new model, the one it replaces is no longer available to us. So wherever you see "Newest Model Not Shown" next to a photo, that means it changed after our photo deadline. No sweat, no obligation, just call us up for a description of the new improved model.

ABOUT DELIVERY

We will, in all cases, send your order out as promptly as possible. In-stock items are shipped within 24 hours from receipt of your order. UPS delivery should occur within two to eight days, depending on your location. Express delivery is available at an additional charge. Please ask your salesperson for details. You'll be notified by mail of any delays or backorders. Items ordered together may be shipped separately. Shipping to another address and some credit verifications may cause delays. As always, we're here to answer your questions.

ABOUT SIZING

For many of our customers, the best clothing is somewhat near its mid-life crisis and well worn. No one is fond of stepping into stiff styles, so we keep this in mind when selecting our clothing. Most of our garments are prewashed, constructed to be soft, wearable and long-lasting to meet your demands. Because we represent a number of different manufacturers, sizes vary some, but remember, all the best skate clothes are oversized. So, when in doubt, take it baggy.

Our sales staff maintains a continually updated list of all our apparel in terms of sizes, material content, and washing instructions to help fit you right the first time. Listed below are some general guidelines to help you order the correct size merchandise:

Our Guarantee: just return the merchandise to us in UNUSED CONDITION WITHIN 30 DAYS. We'll be happy to exchange it or send you a refund.
